

## **RULES AND REGULATIONS**

These Regulations (hereinafter "Regulations") Sets out the rules for the use and operation of the web application betworldcup.io.

The provisions of the Regulations, together with the provisions of the law in force in the territory of the Republic of Poland, define the rights and obligations of Users, as well as the rights, obligations and scope of liability of entities having the right to conduct and administer services provided via the Application, each User is obliged at the time of taking steps to use Application to comply with the provisions of these Regulations.

Before creating a User Account, please read and accept the following Regulations.

## **DEFINITIONS**

Regulations - this document, together with any attachments and attachments thereto that expressly refer to it;

Administrator - the entity managing and running the Application;

Application - the web application available on <https://betworldcup.io> website, to which the Company is entitled, with the use of which it is possible to access services provided through the Application, operating on a specific type of Equipment. Using the Application on User's Equipment requires the User to accept the terms of use of the Application.

Equipment - devices that meet certain technical parameters and have access to Internet, including mobile devices (smartphones, tablets). Access to the Service in the Application requires Equipment that meets the requirements set out in the Regulations;

User - a person using the Application;

Account - User's account registered in the Application using E-mail or Google;

Access to the Service - access to the functionality of the Application contained in the application, obtained by the User by entering the Application and logging in, to the extent specified in these Regulations. Access to the Service is obtained by the User through the Application only on specific Equipment;

Data - all data, including personal data, provided to the Administrator by Users when using the Application, in particular the email address and other data sent to the Administrator in connection with the use of the Application. Users are fully responsible for the content of the transmitted data and ensure that the transferred data is consistent with the factual and legal status.

## **GENERAL PROVISIONS**

The owner of the Application is the Company. The application was created to connect people with each other to predict the results of football matches. Services for Users are provided or may be provided in the future, for a fee and free of charge.

User registration in the Application is voluntary and free. The registration constitutes the conclusion between the User and the Administrator of an agreement for the provision of electronic services on the conditions set out in these Regulations.

Users' personal data are protected by law, and the controller of personal data processed as part of using the Application is the Company.

Each User has the right to access their personal data, rectify them, limit their processing, object to their processing, transfer and delete data, and withdraw their consent to processing, as well as the right to lodge a complaint with the supervisory authority.

## **USE OF THE APPLICATION**

The application is an application intended for adult users. Only adults (18 years old) can access the functions of the Application.

The Application User is responsible for the quality of the Technical Equipment used to access the Application, including technical problems or technical restrictions on this Equipment (firewalls - blockades, anti-virus programs and other), and which may hinder or prevent the User from accessing to the Application or Services provided through it.

After logging in to the Application, via Google, the User shares with the Administrator information about the User posted on the Google profile.

The User is responsible for maintaining the confidentiality of data used to log into the Application.

The User is responsible for his activity in the Application.

In the event of loss of access to the User's account in the Application, please immediately report such a circumstance to the address [contact@betworldcup.io](mailto:contact@betworldcup.io).

Using the Application requires an Internet connection. Using the Application may involve the launch of paid cellular data transmission in accordance with the regulations of the relevant mobile operator.

The administrator informs that while using the Application, short text information called "cookies" is saved. File installation is necessary for the proper provision of services. "Cookies" contain information necessary for the proper functioning of websites - The content of "cookies" does not allow identification of the Application User. "Cookies" are not used to process or store personal data.

## **RULES OF THE GAME**

The application allows you to create, attach and play the results of football matches (“The League”).

The application allows betting on the World Cup Qatar 2022.

Users can bet on the event up to its start. Types entered after the start of the sporting event will be deleted.

## **LEAGUES WITH PRIZES**

League may provide prizes from the League organizer, which may be the Administrator or one of the sponsors.

Prizes are awarded for taking a specific place in the League - the place will be specified each time in information about the League.

The winner of the Prize will be notified by the Administrator about the win by sending an e-mail to the address provided. If you do not receive an email, please contact the Administrator at the following address: [contact@betworldup.io](mailto:contact@betworldup.io).

In the absence of a reply to the Organizer's e-mail or the lack of contact on the part of the User, within 30 days of the end of the League, the right to the prize expires.

Prizes will be sent to winners within 30 days of receiving a response to the win email.

The Organizer is not responsible for entering incorrect data by Users, in particular the delivery address.

The Application and the Leagues are not gambling games, in particular they are not a betting or lottery and are not subject to the Act of 19 November 2009 on gambling (Journal of Laws of 2019, item 847, 1495. with amendments).

## **RESPONSIBILITY OF THE USER**

The User is responsible for maintaining the confidentiality of data used to log into the Application.

Help related to logging in to the Application can be obtained from [contact@betworldcup.io](mailto:contact@betworldcup.io).

The Application User is responsible for the published content.

The Administrator retains the right to moderate and remove vulgar, offensive statements.

The Administrator reserves the right, at any stage of the Competition, to exclude a Participant who acts in a manner contrary to the rules of the Competition described in the Regulations or in a way that violates generally applicable law.

Submissions of parties or persons who violate these Regulations may be made to the email address: [contact@betworldcup.io](mailto:contact@betworldcup.io).

#### SERVICE PERIOD WITH THE USE OF THE APPLICATION

The User may at any time, without giving a reason, opt out of using the Services and Applications by submitting a declaration of termination of the contract for the provision of electronic services. This statement can be made in writing an e-mail to the [contact@betworldcup.io](mailto:contact@betworldcup.io).

The User's Account may be blocked or disabled by the Company in the event of repeated violations of the provisions of these Regulations or applicable law; before deleting the Account resulting in termination of the contract, the Administrator calls the User to stop these violations, and if this request is not carried out, he may delete the Account.

#### USER'S CONSENTS

By completing the registration procedure resulting in the creation of an Account, the User ensures and declares that has read and accepted the Regulations without any exceptions; all personal data is provided voluntarily and the User confirms that has read the rules and conditions for the processing of his personal data, and in particular that his personal data will be processed as data necessary to perform Services in the Application provided on the basis of a contract for the provision of electronic services concluded by registration.

By creating an Account in the Application, the User gives the Company the right to store, use, copy, display, play, edit, publish and distribute published content created by the User in the Application, with the exception of content that is personal data and which is processed by the Administrator.

The User agrees to the use of the above content (i.e. with the exception of personal data) for marketing, information, statistical and publication purposes in media such as the Internet, press, radio, television, mobile and fixed-line telephony, but publication in the media can only take place in in such a way that the information presented does not indicate a relationship with a given User or a way of direct contact with the User.

The company strives to improve the operation of the Application and provide Users with appropriate functionality.

The Company may add new functions or product improvements, and remove certain functions of the Application, and if these activities do not significantly affect Users' rights and obligations, it may not inform Users about these activities.

The Company may suspend or completely disable the operation of the Application in its entirety.

## SAFETY PROCEDURES

The Company is not responsible for Users' behavior in and outside the Application. The Application User agrees to exercise caution in all interactions with other Users, especially when contacting via the Application or in person. The user undertakes to comply with the security rules. Do not provide financial information or send money to other Users.

The User is entirely responsible for all interactions with other Users.

The Company is not responsible for the content posted by Users or a third party operating in the Application. All materials downloaded or obtained through the Application from other Users or third parties operating in the Application are opened by the Application User on his sole responsibility.

The Company is not responsible for the content of materials transferred and published in the Application by the Users. The administrator is not responsible for their truthfulness, reliability and authenticity.

The Company is not responsible for the authenticity of information and data provided by Users or information on Users shared with other Users.

The Company is not responsible for any faults in the Application's operation that are not attributable to and independent of the Administrator, caused by force majeure or unauthorized interference by Users or third parties.

The Company is not responsible for any loss of data in the Application, independent and not caused by the Administrator, stored in the Administrator's computer systems, caused by equipment failure, Internet dysfunction, loss due to the actions of third parties.

The Company reserves the right to anonymously publish content directed by Users to the Application service team regarding issues related to the functioning of the Website (FAQ), advice provided and other information about which the Administrator deems that responses to this content are worth making public.

The Administrator reserves the right to use any areas of functioning the Service together with internal post system for running commercial, advertising, announcing activity among Users, and also third parties, and in particular through directing to the Users or attaching to passed between Users and third parties advertisement, information, commercial contents and concerning products or services provided both by the Administrator as well as third parties.
